SCHIEHALLION UNFILTERED SHARING BOTTLE

Schiehallion Craft Lager 750ml 15.00

Schiehallion Craft Lager has been wowing the world since it was first brewed. It has always been made using the same water source, full cone hops, locally supplied malt and Harviestoun's very own unique yeast.

We wanted to celebrate the 10th anniversary of Schiehallion winning World's Best Lager at the World Beer Awards in 2008.

What better way to celebrate, than to commemorate it in it's most original form, unfiltered and unpasteurised to share!
